Win with Lyoness on Facebook!

The request which appeared on the Lyoness homepage from mid-February to mid-March was fulfilled by 360 Facebook users and even brought us 600 new fans. This positive reaction and the group dynamic that we are able to create was very pleasing as it clearly shows that we can combine shopping with pleasure.

By entering a comment under the slogan „What I like about Lyoness“, the terms and conditions of the competition were fulfilled. Tanja Mayerhofer said: „As a mother of two young children, I love shopping from home. To also receive money back is just super!“. And Josef Bauer said: „It's great, receive money back in all sectors – food, electricity, mobile, games etc.“

The winners will receive shopping vouchers for the Loyalty Partner of their choice worth € 50, € 100, or € 150, as well as attractive prizes from the Lyoness Child & Family Foundation Collection. The winners will be notified via Facebook, as well as on the Lyoness website, on the 21st of March 2011.

Lyoness, the country and sector spanning shopping community, is currently active in 20 European countries, as well as in the USA, Canada and Dubai. Lyoness members receive money back with every purchase: when they use the Cashback Card, Loyalty Partner vouchers, by shopping online or by using Mobile Cashback. Further information regarding Lyoness can be found at www.lyoness.net.
